EMPLOYEE BENEFITS
Our offering of comprehensive benefits programs is designed to provide options and flexibility to our employees.

What follows are broad overviews of these programs.

Medical Coverage. We offer several medical program options for you to choose from, including two options that provide access to a Health Savings Account with a contribution from Prudential for most employees. The options vary primarily in how much you pay for coverage through payroll deductions and how much you pay out-of-pocket when you receive services. Easy-to-use tools are provided to help you evaluate which option may best meet your needs.

Dental Coverage. You may select from two dental program choices. The Dental Preferred Provider Organization (Dental PPO) is a traditional dental program that includes access to preferred providers, as well as the freedom to seek treatment from any licensed provider. You may also choose the Dental Health Maintenance Organization (Dental HMO) program, which requires you to select a primary care dentist. There are no benefits for out-of-network care. The Dental HMO is offered at many, but not all, locations.

Vision Care Coverage. We provide two options for vision care coverage. The Vision Discount Program is provided at no cost to you and offers discounts off the retail price of certain eye-care needs such as eye exams, frames, lenses and contacts. The Vision Care Insurance Program is a voluntary benefit (you pay the full cost to enroll). It provides benefits for vision examinations, lenses, frames and/or contact lenses.

Health and Dependent Care Flexible Spending Accounts. These Flexible Spending Accounts (FSAs) allow you to pay for certain health care and dependent care expenses with before-tax dollars, providing you with tax advantages. Your FSA options include a Health Care FSA, Limited Purpose Health Care FSA and Dependent Care FSA. Prudential matches 25% (up to $1,000) of your contributions to the Dependent Care FSA.

Insurance. Prudential provides programs that deliver protection for you and your dependents as either core benefits (at no cost to you) or as voluntary programs (you pay the full cost). To accommodate the different needs of our employees, we offer several choices for life insurance, accidental death and dismemberment insurance, disability insurance, accident insurance, critical illness insurance, and hospital indemnity insurance coverage.

401(k). The Prudential Employee Savings Plan (PESP) is a tax-qualified 401(k) plan for which, generally, all Prudential employees are eligible to enroll. As a participant, you may contribute 1% to 50% of your eligible earnings in any combination of before-tax, Roth 401(k), and/or after-tax contributions (subject to Internal Revenue Code limits). Prudential matches 100% of your before-tax and Roth 401(k) contributions (excluding catch-up contributions)—up to a maximum of 4% of your eligible earnings. Generally, you become vested in the company matching contributions after three years of service with Prudential.

Pension Plan. The Prudential Merged Retirement Plan is a tax-qualified, company-provided retirement plan that is generally available to all Prudential employees—without cost to you or need to enroll. Under the plan’s Cash Balance Formula, your account receives a percentage of your eligible compensation, based on your age and years of service with Prudential, and interest each month. Your benefit is expressed as an account balance, but can also be viewed as a monthly annuity. Generally, you become 100% vested in this benefit after three years of service with Prudential.

Stock Purchase Plan. The Prudential Stock Purchase Plan gives eligible employees the opportunity to purchase shares of Prudential Financial, Inc. common stock at a discount. If eligible, you may begin participating in the plan after one year of service with Prudential.

Group Legal Program. The Group Legal Program is a voluntary benefit that provides access to legal advice to resolve everyday legal issues, as well as scheduled benefits to help pay for certain legal fees.
